A WALL OF FAME 65

"I used to brood upon the unconscious irony of those who felt that Negroes led so passional an existence!" Wright said. "I saw that what had been taken for our emotional strength was our negative confusions, our flights, our fears, our frenzy under pressure."

The novelist Sinclair Lewis was one of three judges who deemed Wright's short story "Fire and Cloud" the top entry in a nationwide contest sponsored by Story *magazine. Shortly after winning first prize in the contest, Wright had his first book,* Uncle Tom's Children, *published.*
